It's investing for a better life.

Georgia STABLE is helping Georgians to achieve greater independence and financial security through the power of STABLE accounts.

Georgia STABLE provides:

Access to STABLE accounts for Georgians with disabilities

The ability to save and invest without losing needs-based benefits

See if you're eligible

For too long, people with disabilities could not save for the future out of fear of losing needed government benefits. The disability community fought long and hard to change this, and together we've come up with a solution.

A STABLE account through Georgia STABLE is a way for Georgians to save for qualified expenses, invest for future needs, and keep the benefits you rely on every day.
